Under this agreement for 2014
Chevallum State School will receive

This funding will be used to

- Assist students, specifically in prep - year 2, achieve the National Minimum Standard for literacy and numeracy for their year level and/or
- Develop evidence based strategies that respond to the needs of students and deliver improved outcomes. This could include the implementation of individual progress plans for all students

Our strategy will be to

- Integrate the school’s current professional learning framework being cognizant of ASOT pedagogical framework, Phase team structures, Master Teachers and Early years' philosophy, into a model that focuses on implementation of the schools quality literacy and numeracy plan with an emphasis on differentiation and responsive intervention.
- Intervention support to 3 different levels of need in response to individual achievement data.viz. (1) whole school explicit teaching for all students (2) small group supplementary teaching (3) intensive teaching in critical areas
- Provision of appropriate resources to implement the above.

Our school will improve student outcomes by
